

Washington University Cognition & Development Lab – Research Assistant Application

Name: _____

Email address: _____ Phone #: _____

Class Year: _____ Major: _____ Minor: _____

When would you like to work in the lab (circle all the apply):

Summer

Fall

Spring

How many hours do you plan to work each week? What days/hours are you available?

Briefly describe why you're interested in working in the Cognition & Development Lab.

Please list any prior research experience/relevant psychology courses taken.

Do you have other relevant experience that makes you a good fit for this position?
Or is there anything else you'd like to tell us?

Please drop this off in the mailbox of Laura Hennefield in the Psychology Department. If you have any questions, please email lhennefield@wustl.edu
