Data Sheet for Participant in Non-WU Study Abroad Program

Notice: This form is for use by **A&S students only** and should be submitted to the Office of International Studies by **May 10** for a summer, fall semester, or academic year program or by **November 10** for a spring semester program. For a fall and/or spring semester program, you will be issued a **leave of absence** after you submit this form. The leave of absence is necessary to retain your WU email account and to be automatically reinstated prior to registration for your return to WU. It will block billing for WU tuition and fees, and it will block enrollment in the WU student health insurance plan. Academic credit earned through study abroad with a non-WU program cannot be transferred to WU. If seeking transfer credit for an alternative program, you should submit a formal petition to the Study Abroad Advisory Board instead of completing this form.
